

CRAFTY PRINTABLES

Thank you for being part of the Chroma Calm community. This Freebie Friday download is a small gift created especially for subscribers, as a thank-you for your support and creativity.

About This Freebie

- These designs are exclusive to the community.
- They are not available for purchase in the shop.
- Each freebie is designed as a companion piece, not a full product.

This freebie is intended to layer, mix, or coordinate with a larger collection, giving you extra flexibility and inspiration in your journaling or paper crafting.

Designed to Pair With

This freebie pairs beautifully with:
Coastal Papers Vol. 1

That product expands this style into a full, cohesive paper set with additional patterns, variations, and creative options.

You can find it here:

How to Use

- Print at home for junk journaling, planners, and paper crafts.
- Use digitally in compatible apps.
- Mix with your existing Chroma Calm papers for a cohesive look.

Freebie Friday designs are created as a bonus for the community and are shared with care. Please do not resell, redistribute, or upload these files elsewhere.

Thank You

Your support allows Chroma Calm to keep creating gentle, tactile, and thoughtful designs. I'm so glad you're here.
